Go Trailblazers !

Thank you for your efforts in helping us reach our District-wide attendance goal of 95.00 percent! For the month of December, the Summit Hills' average weekly attendance was 94.86 percent. Remember, each percentage point equates to nearly \$500,000.00 in crucial funding for the District.

Summit Hills PTO News

Give mom or dad a break from dinner duty on January 23, and plan to help our school through a fundraiser at McDonald's. The fun begins at 5:00 and lasts through 7:00. Hope to see you there!

Trent Keppner, School Counselor

We are nearing the start date for our annual Chess club meetings. Starting January 21st at 2:25pm, we will hold Chess club meetings once a week for an hour after school. This is open to students, grades 3rd through 6th. There will be forms you can get from the front office or myself, Mr. Keppner, to get parental permission to be a part of the club. The forms help us to know that parents have okayed students staying after school and that they have a safe way of getting home when Chess club ends at 3:25pm. There is no cost or previous Chess skills required to play. In March, we will hold a Chess club tournament during our Chess club for fun for those interested in participating.

Tardies

Please make every attempt to ensure your student(s) arrives at school on time. They pose a major distraction to the classroom if they come in late. Not to mention, they miss out on some very important instruction at the beginning of the day.

Fundraising for Walking Path

Thanks to your tremendous support of the Bonneville Education Foundation, we have been able to purchase, in order of priority, six chrome book labs, slides and benches for the playground, soccer goals, and our latest purchase, a lighted marquee to brighten the campus.

As we look to the future, the PTO would like to begin raising funds for a walking path. The cost could be upwards of \$15,000.

I have attached a donation slip complete with an explanation of tax savings you can realize on your Idaho income taxes.
