

Dear Parents and Guardians,

We are excited to announce online registration for the upcoming school year! This process replaces the paper forms sent home each school year. Your student's registration is now available online.

How do I get started?

Visit [Bonneville Joint School District #93 Power School Parent Login Page](#) and log in using your current parent login information.

If you need instructions on how to create an account or to add additional students to your current account, please see the [PowerSchool Login Info](#).

From the Parent Portal:

1. Select the student you wish to register along the top
2. Select the Student Registration Icon on the left side for 2019-2020.
3. Agree to the terms and conditions
4. Click Begin Forms

I can't remember my login for the PowerSchool Parent Portal.

If you are not able to retrieve your login credentials using the "Having trouble signing in?" link on the Sign In page, please contact your student's school directly for assistance logging in to the Parent Portal.

Do I have to answer all the questions?

Required fields are marked as "Required". Please make sure you include at least one emergency contact along with parent/guardian information when updating your student's contact information.

What if I make a mistake?

If you would like to make a change, click on the underlined field or click "< Prev" to return to a previous page.

I've completed the form, now what?

When you have finished entering your information, click "Submit." This will send all the information you've entered to the school. If you cannot click on this button, you will need to make sure that you have answered all required questions.

What if I have more than one student?

Do I need to do this for each child? Yes, because you'll need to provide

information that is specific for each child. We recommend that you submit one student's form and then start another – this will allow you to “snap over” shared family information, which will save you time.

I don't know what a question is asking.

You can contact your student's school to ask any general questions about the form or the process.

Help! I'm having technical difficulties.

For technical support, visit our [PowerSchool Community](#) help center or click “Help” or “Contact Us” from any form page.

Thank you!
